AFFIDAVIT

On May 29, 2012, a male imposter (Material Witness 1) was arrested by Customs and Border Protection Officers at the Bridge of the Americas (BOTA) Port of Entry in El Paso, Texas attempting to use a document not belonging to him. Border Enforcement Security Task Force (BEST) Agents were notified and responded to the BOTA Port of Entry. BEST Agents advised Material Witness 1 of his Miranda Warnings, which he subsequently waived and agreed to answer Agents' questions without the presence of an attorney. During the interview of Material Witness 1, he identified Edgar LOPEZ through a photo lineup as the person who was guiding him into the United States. Material Witness 1 further stated that LOPEZ instructed him not get nervous and to follow him when crossing into the Port of Entry.

On June 20, 2012, LOPEZ was encountered at the Paso del Norte Port of Entry by Customs and Border Protection Officers. Based on Material Witness 1's identification of LOPEZ as the alien smuggler who guided him into the United States, LOPEZ was detained by Customs and Border Protection Officers. BEST Agents were then notified and responded to the PDN Port of Entry to take custody of LOPEZ. LOPEZ was arrested by BEST Agents and transported to the HSI Boeing Office for further investigation. BEST Agents advised LOPEZ of his Miranda Warnings, which he subsequently invoked and refused to answer Agents' questions without the presence of an attorney. All questions ceased at that point.
